

Sixth International Conference on Computer Science, Engineering and Applications (ICCSEA-2016)

<http://iccsea.org/2016/iccsea/index.html>

September 24~25, 2016, Dubai, UAE.

Call for Participation

We invite you to join us in Dubai, UAE on September 24~25, 2016 for Sixth International Conference on Computer Science, Engineering and Applications (ICCSEA-2016)

The conference provides excellent international forum for sharing knowledge and results in theory, methodology and new advances and research results in the fields of Computer Science and Information Technology.

Highlights of ICCSEA 2016 include:

- Invited talk from eminent Professors
- Eighth International Conference on Wireless, Mobile Network & Applications (WiMoA 2016)
- Seventh International Conference on Communications Security & Information Assurance (CSIA 2016)
- Fifth International Conference of Networks and Communications (NECO 2016)
- Seventh International Conference on Ubiquitous Computing (Ubic 2016)
- Fifth International Conference on Soft Computing, Artificial Intelligence and Applications (SCAI 2016)
- Fifth International Conference on Signal, Image Processing and Pattern Recognition (SPPR 2016)
- Seventh International Conference on Internet Engineering & Web Services (InWeS 2016)
- Eighth International Conference on Grid Computing (GridCom 2016)

Registration Participants

Non-Author / Co-Author/ Simple Participants (no paper)

275 USD (With proceedings)
